

I am so very excited to be the new provider at the Augusta Health and Wellness Center! I moved to Martinez in September and was married the first weekend of October on the beach at Pawleys Island. I grew up in the Upstate of SC where I played soccer at the college level while attending Erskine College and then completed my graduate studies at the University of Florida in 2007. I have practiced the past 5 years in the Veterans Healthcare System and am eager at the opportunity to work with the employees of Augusta-Richmond County. I enjoy running, hiking, trail biking, and spending time outdoors. My husband and I have a Chihuahua mix named Nike.

**We are very excited to have Jenny here.
Please join us in welcoming Jenny to the Healthstat Clinic!**
